You can reach your full potential with UMCTO if you would like to earn a higher salary, move to a better job, start your own business, or simply take up a new hobby, we can help you.

STUDYING IS MADE SIMPLE WITH UMCTO

UMCTO courses have been developed by professional lecturers and specialist consultants with the emphasis on helping you achieve the results you are looking for quickly and easily.

HOW DOES THIS WORK?

Your course is made up of modules, each containing a number of units. Each unit tells you what its aims are, and what the main topics are. As well as guidance on study techniques and course activities, it will include self – assessments test with answers so as your confidence and ability improve through assessing your own work, you will have proof of your success with your assignments.

WHAT YOUR COURSE INCLUDES

The materials you need for your course will vary depending on the subject. When you look through the prospectus, you will find information on what each course (s) include. For example, if there are text books or additional equipments.

IT'S FUN

Courses are divided into small, manageable units that you complete one at a time and at your own paces they are much more fun to study.

HELP AND SUPPORT FROM EXPERT TUTORS AND ADVISERS

Throughout your course, you will receive expert advice and assistance from your UMCTO tutor. These people are experts in their particular field, and are experienced in helping students. Your tutor will be able to help with any question you may have. By completing easy to use self assessment test, as well as being assessed by your tutor, you will be able to see the progress you are making on a continuous basis. Your knowledge and abilities will grow, and so will your confidence realize that studying is easier than you might have thought.

THE UMCTO SERVICE PROMISE

At UMCTO we pride ourselves on offering you the best service possible. From the quality of our study materials – all written by professional in their fields, to our student advisors who have been specially chosen for their ability to help students.
